LAMB ROAST - 125

Our show-stopping 1.5 kg lamb shoulder is slow-roasted overnight in the wood-fired oven until melt-in-your-mouth tender.

We baste it with our house-made signature BBQ sauce infused with fresh herbs for that deep, smoky flavour you'll be talking about all year.

Served with a generous pile of roasted seasonal vegetables, warm pitta bread and silky beetroot hummus.

The ultimate Easter centrepiece - perfect for sharing with family or friends.
